

LUBICELTM

10ml with Tray & Catcher

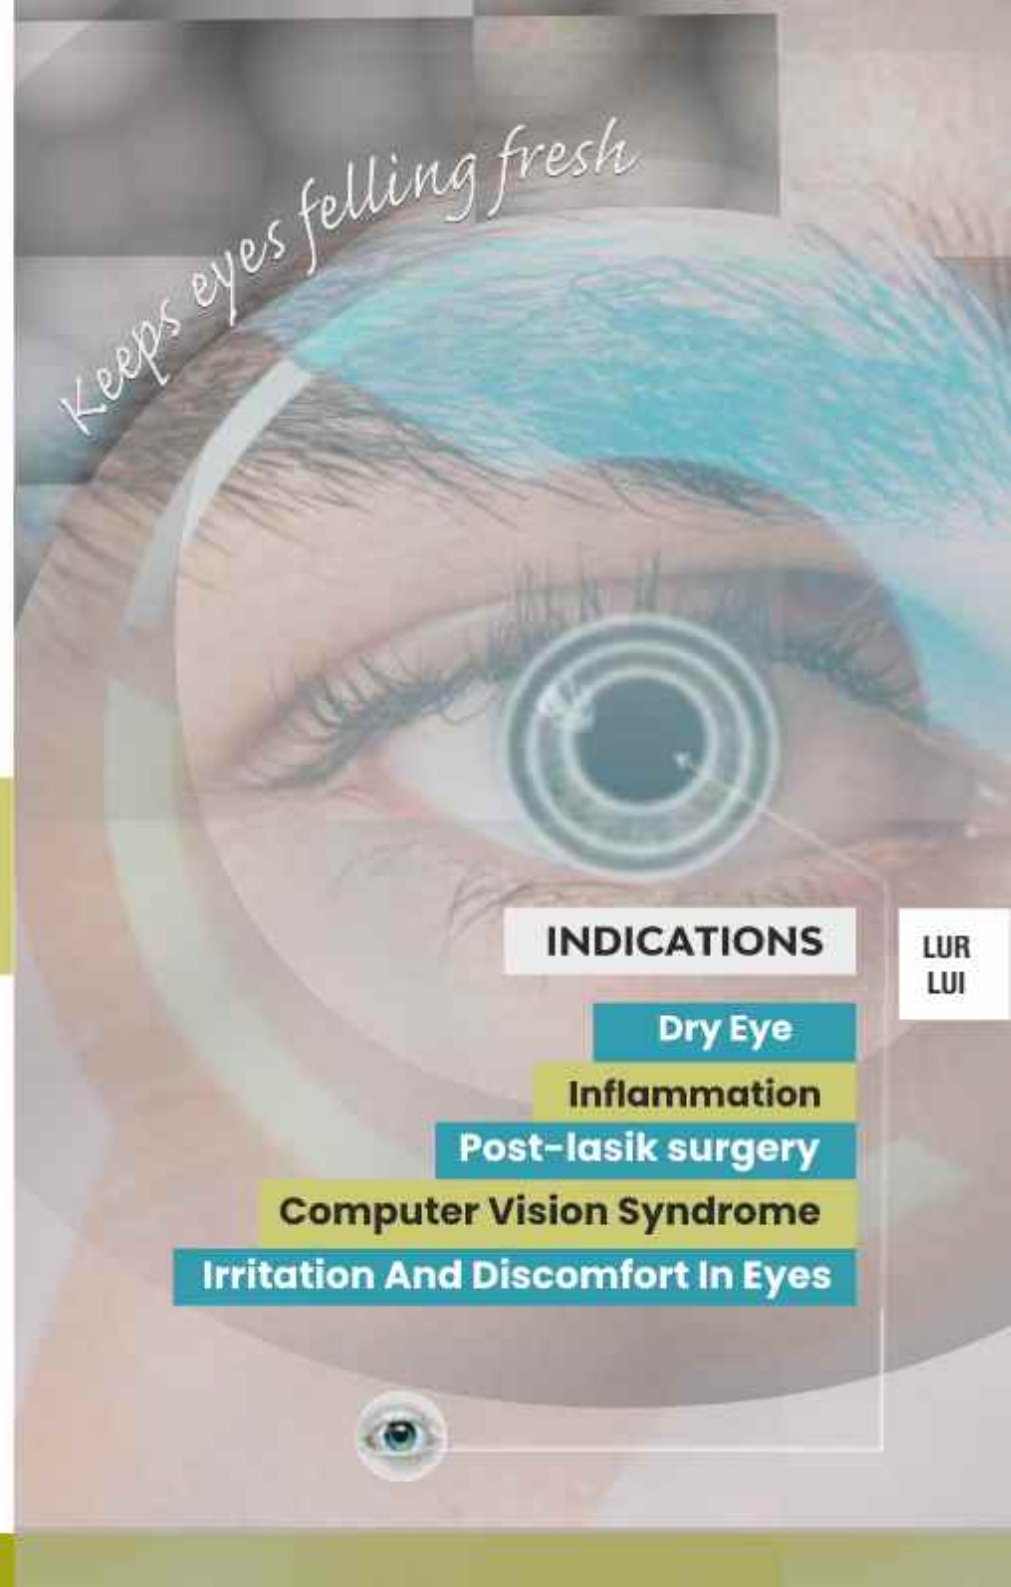

ULTRA

Eye Drops

Sodium Carboxymethylcellulose 0.5 %w v +
N-AcetylCarnosine 1.0%w/v & Glycerin 0.5 w/v
Eye drops

- ⦿ **Carboxymethylcellulose and Glycerol are lubricants.**
They work similar to natural tears and provide temporary relief from burning and discomfort due to dryness of the eye.
- ⦿ **N-acetylcarnosine** is an antioxidant which prevents the formation of cataracts in the eye.
