

Break the vicious
cycle of
PAIN - SPASM - PAIN

In

- Acute Low back pain
- Neck & Shoulder Pain
- Post-operative Sciatica
- Musculoskeletal & Neuromuscular

ZubomolTM MR

Aceclofenac 100 mg + Paracetamol 325 mg+ Chlorzoxazone 250 mg Tablet

ACECLOFENAC

- Outstanding anti-inflammatory profile mediated primarily through inhibition of COX activity and suppression of PGE2 synthesis

PARACETAMOL

- Produces analgesia by elevation of the pain threshold
- Equal to aspirin in analgesic and antipyretic effectiveness

CHLORZOXAZONE

- Acts at the level of spinal cord and sub cortical areas of brain 100% bioavailability

Relief from Pain & Spasm

The Trio that breaks the chain of
Pain, Inflammation & Spasm
