

Calflip™ K27

Eicosapentaenoic Acid 180mg + Docosahexaenoic Acid 120mg + Methylcobalamin I.P. 1500mcg + Calcitriol I.P. 0.25mcg + Calcium Carbonate I.P. 500mg + Boron 1.5.mg + Folic Acid I.P. 400mcg **Softgel Capsule**

⇒ Vitamin-K₂7

- ☑ Promotes Bone Metabolism and Mineralisation of the Bone Matrix
- ☑ Essential for healthy arteries and strong bones, it also promotes skin, brain and prostate health

⇒ Calcium Citrate Maleate

- ☑ Prevent Osteoporosis & reduced the risk of related fractures
- ☑ CCM is the best absorbed form of calcium, so can be taken at any time during the day

⇒ Methylcobalamin

- ☑ Repair damage nerve fibers by stimulating axonal regeneration.

⇒ Omega 3-Fatty Acid

- ☑ DHA & EPA Ensures that the cells in the brain, retina, heart and other parts of the nervous system develop and function properly through all stages of life

⇒ Calcitriol

- ☑ It increases the storage of calcium, hence bone minerals density
- ☑ By stimulating Osteoblast (bones cell) to lay down more calcium matrix

⇒ Zinc & Boron

- ☑ Zinc is needed to produce a matrix of protein threads onto which the bone forming calcium is laid.
- ☑ Boron keeps the skeletal structure strong by adding to bone density, preventing osteoporosis, treating conditions like arthritis, and improving strength & muscle mass.

Calcium deficiency States

Pregnancy & Lactation

Osteoporosis

Hypocalcaemia
