

Save Your Kidney From Severe Kidney Disease

Sevaxl C 400

Sevelamer Carbonate 400mg Tablets

- Sevelamer has significant role in decreasing serum parathyroid hormone (PTH) level. Increased levels of PTH can lead to osteitis fibrosa, a bone disease.
- Helpful in ameliorating the acidosis that is typically seen in patients who have advanced chronic kidney diseases and are not receiving dialysis.
- Sevelamer helps prevent hypocalcaemia (low levels of calcium in the body) caused by elevated phosphorus.
- Sevelamer is used to control phosphorus levels in people with chronic kidney disease who are on dialysis.
