

Freedom from allergic conditions...

Levovamp[™]

Levocetirizine Hydrochloride I.P. 2.5mg Syrup

-  A selective, long acting peripheral H1 receptor.
-  Highly effective & well tolerated anti histamine
-  Superior efficacy & safety profile than cetirizine.
-  Levocetirizine is more potent and consistent than other popular H1 antihistamines for blocking the cutaneous response to histamine.

Seasonal Allergic Rhinitis

Perennial Allergic Rhinitis

Chronic Idiopathic Urticaria

Asthma Prophylaxis
